

Subject: Sponsorship Opportunity – Empowering Trainers to Transform Lives

I hope this message finds you well. I am reaching out to you from I Coach & Teach Boxing Empowerment Inc., a dedicated organization focused on utilizing boxing as a powerful tool for personal and community transformation. We are currently seeking sponsors for an innovative initiative aimed at empowering potential trainers through a specialized training program, and we believe that your support can make a significant impact.

About the Trainer Training Program:

In North Carolina, where challenges such as youth violence and veteran reintegration persist, the need for skilled, compassionate trainers in the field of boxing and personal development is more crucial than ever. Our 40-hour Trainer Training Program is meticulously designed to equip trainers with not only advanced boxing techniques but also educational methodologies and therapeutic skills necessary to lead impactful programs for at-risk youths and veterans.

Sponsorship Details:

The cost to sponsor one trainer for this comprehensive program is \$250. Here's how the sponsorship funds will be utilized:

- \$100 - Curriculum Development: This includes the creation and distribution of training materials that cover boxing techniques, teaching methodologies, and therapeutic models such as Cognitive Behavioral Therapy (CBT) and Trauma-Informed Care (TIC).
- \$50 - Educational Supplies and Equipment: Funds will go towards the necessary boxing equipment used during the training, as well as educational supplies like notebooks, pens, and learning aids.
- \$50 - Personalized Shirts: Each sponsored trainer will receive a personalized shirt, which not only serves as training apparel but also as a keepsake of their commitment and professional development.
- \$50 - Certificate of Completion: Upon successfully completing the training, participants will be awarded certificates, validating their qualifications and readiness to effectively conduct boxing classes that make a difference.

Why Sponsor a Trainer?

By sponsoring a trainer, you are investing in the multiplier effect of education and empowerment. Each skilled trainer will go on to impact numerous lives, teaching skills that extend beyond the boxing ring—discipline, confidence, mental resilience, and the importance of community. Your sponsorship will not only help build the capacity of aspiring trainers but also contribute to the broader goal of fostering safer, healthier communities across North Carolina.

We invite you to join us in this noble cause. Enclosed are further details about the program and testimonials from past participants. Should you choose to sponsor, you will not only be supporting the professional growth of individual trainers but also uplifting entire communities.

Thank you for considering this opportunity to make a profound difference. We look forward to the possibility of partnering with you and are happy to discuss any aspect of this initiative further.

Warm regards,
